

## **Resolutions FAQ's**

### **What is the “ Resolutions” juried art show?**

Resolutions is an annual North Carolina wide juried art show hosted by The Hillsborough Gallery of Arts. Any artist 18 years of age and older, residing in North Carolina is eligible to apply. HGA's own artists/owners are not eligible to apply.

### **When is the Resolutions show?**

The Call-to-Artists for submissions to Resolutions occurs each summer/fall. Dates of call and show change slightly with each calendar year. Interested artists should have name added to HGA email list and/or check website starting in August.

### **How does a North Carolina artist apply for the Resolutions show?**

An artist can go to [OnlineJuriedShows.com](http://OnlineJuriedShows.com), create an account, login, and apply. Artists can also access the show prospectus and application through the link found on the Hillsborough Gallery of Arts site. Applying artists should read carefully the show prospectus and consult the information provided by Online Juried Shows on uploading images and completing the application process.

### **What art is eligible for entry in Resolutions?**

The Resolutions show accepts both 2D and 3D works in a wide variety of mediums including fine artisan craft. Size and original work restrictions do apply, and artists submitting an application should review carefully the prospectus posted on the [OlineJuriedSHows.com](http://OlineJuriedSHows.com) website each year.

### **How is artwork selected for Resolutions?**

Artwork submitted for the Resolutions show through the [OnlineJuriedShows.com](http://OnlineJuriedShows.com) platform is evaluated by a panel of HGA artists in a “blind” process. “Blind” in this case means that jurors scoring the submissions do not have access to the names of the artists whose work is being evaluated. The final works selected are those that received the highest average scores. The number and type of works selected are limited by space available in the HGA Featured Exhibit space.

### **How is the “Guest Judge for Awards” different from the jury panel?**

Each year HGA invites a notable art professional to choose award winners from the installed Resolutions show and deliver a talk at the reception. The juror for awards DOES NOT choose the work accepted for the show.

### **How are artist notified of work selected for Resolutions?**

Notification of selected work comes through OJS. Artists who have applied for the show log-in to their accounts on the OJS site when jurying has been completed. The site will display the status of each entry.

### **Can I substitute another piece of my art than the one selected for the show?**

No. The HGA review panel carefully selects the works to be included in Resolutions show. It is the artwork and not the artist that is accepted. Artists should reserve the pieces they have submitted to the Resolutions show until they find out whether they have been accepted. The accepted piece must be available for the duration of the show.

### **Why does my selected artwork have to be available for sale in the Resolutions show?**

The Hillsborough Gallery of Arts is a commercial art gallery. Works of art selected for the annual Resolutions show are works available on commission as they would be in any commercial gallery setting.

### **Why does selected artwork have to be “hand delivered”, and why are there specific drop-off and pick-up times/dates?**

The Hillsborough Gallery of Arts makes every effort to carefully display artwork during the duration of the Resolutions show. We do not have space or resources to store or ship artwork. Hand delivery moves your work from your hands to our walls, and back to your hands with as few steps as possible in order to safeguard it.

### **Can a work selected for Resolutions be rejected for display?**

The work that is hand delivered for the Resolutions show should match the image(s) submitted via [OnlineJuriedShows.com](http://OnlineJuriedShows.com). Additionally, artwork should conform to the size limitations, presentation methods, and quality outlined in the Resolutions application prospectus. HGA members checking work into the gallery will carefully review work, hanging hardware, and structural integrity.
